

LEGLE

PORCELAIN

e s p a c e

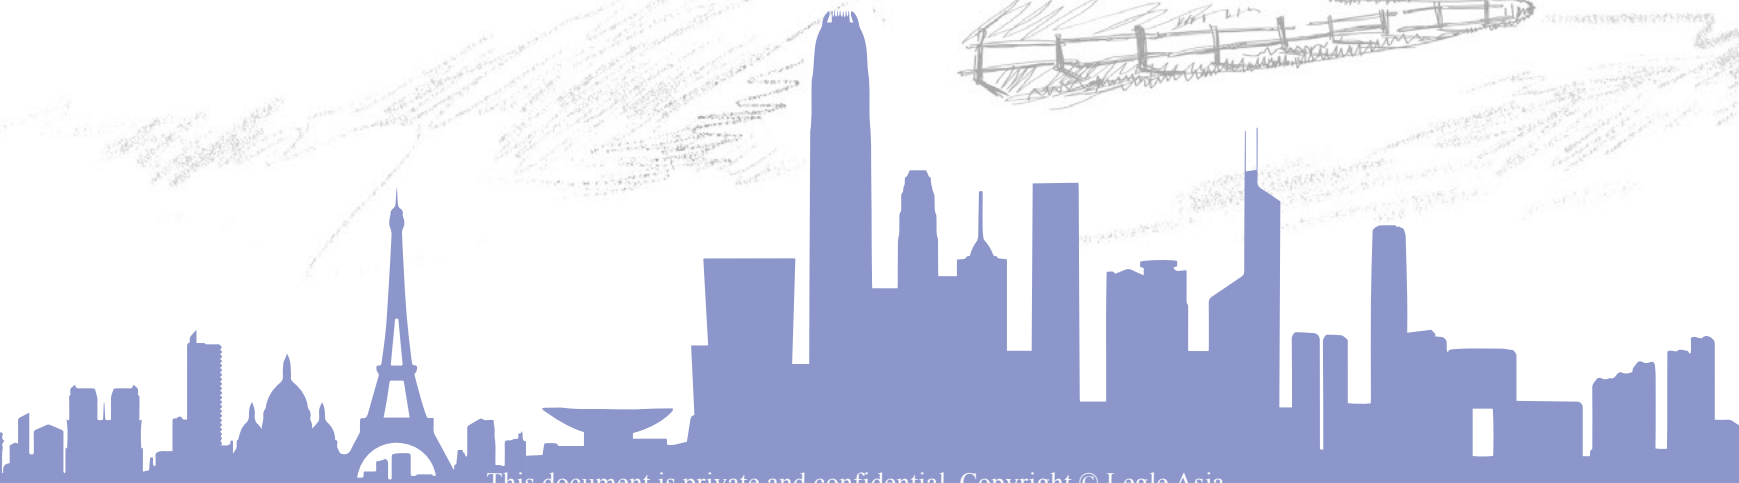

A detailed pencil sketch of a mountain range, with several peaks of varying heights and textures. The mountains are rendered with fine lines and shading, giving them a sense of depth and ruggedness. The sky is left blank, and the foreground features a small body of water with a simple fence and two small houses on the right side.

LEGLE

PORCELAIN

espace

A detailed pencil sketch of a mountain range. The mountains are jagged and layered, with some peaks appearing more distant than others. In the lower-left foreground, there is a small, simple cabin with a gabled roof and a chimney. The overall style is artistic and hand-drawn.

Celebrating the contemporary and silhouettes,
a tribute to nature lines and skylines.

A new “modern space” for
gastronomic cuisine dawns.

LEGLE

PORCELAIN

e s p a c e

6

A **symphony** in white juxtaposing the subtle – shiny inside with a matt external finishing, each porcelain piece is glazed with a high-fired enamel, and completed with a fine antique, oxidized copper rim.

LEGLE
PORCELAIN

e s p a c e

Sensorial and sensuous, Espace
honours gastronomy, to deftly enhance the
pleasures of taste, smell and tactility.

LEGLE

PORCELAIN

e s p a c e

Exquisite, **elegant** and ethereal - Espace takes
élan and **creativity** to new **heights!**
