Collection - INFINI

A tribute to the ancient adage "the only thing that is constant is change".

Our creative expression focuses on the Yin and Yang binary play, encapsulating:

Fluidity
Free form
Floating energy

The greatest form is without shape
This is the Tao of the cosmos

—*Dao De Jing ch. 41, Laozi*
(Ancient Chinese Philosopher)

Rims and shapes are designed in an organic, free form style to showcase movement and energy, the Qi of life.

Embracing Contrast and Balance
Enveloping the Infinite Connection of the Universe.

Fluidity

Free Form

Floating Energy
