SANDSTONE - NEW

BRIGHT FINISH

18/10 stainless steel

5
mm

The tactile nature of Sandstone is a unique texture that can be compared to stippling painterly effect. The beautiful surface reflects the light with a gentle glow, creating a statement on the table alongside both formal and casual tableware. The texture has the added benefit of scratch marks being less obvious in a demanding environment.

BLOCKLEY - NEW

BRIGHT FINISH

18/10 stainless steel

3.5
mm

Inspired by modern architecture, Blockley is a slender, linear cutlery pattern with a distinctive hollow running down the length of the handle which catches the light beautifully. This pared back design fits in the contemporary arena.
